

Dear Glen Hills Utility District Customers,

There is a new foundation started by businesses and community members to help support Greene County Schools. This nonprofit organization is Greene LEAF, Local Educational Advancement Foundation, and is working hard to raise money to meet the educational needs of our Greene County children and bring to the schools the needed things that are not fully funded.

We need your help in a small but important way. In the next few months the water utilities in Greene County will be starting a roundup of each bill called **"Change 4 Kids."** Please consider helping out your child's education by signing up today and urging your neighbors to sign up. Our Greene County students deserve the best education that we can provide! Fill out the form and return it to Glen Hills Utility District.

Thank you, Darlene McCleish
Retired Greene County Teacher and Executive Director of Greene LEAF

Change 4 Kids

Make a Change 4 Kids on your utility bill!

"Small Change can make a big difference!"

Together, just by giving a few cents a month, Greene County Utility customers can make a big impact the students in Greene County Schools.

What is Change 4 Kids?

Change 4 Kids is a voluntary program that rounds up your monthly utility (water) bill to the next highest dollar. For example, a bill of \$10.75 would automatically be rounded up to \$11.00, with the additional 25 cents going to the **Change 4 Kids** project. If your bill is \$25.30 it would be rounded up to \$26.00 with 70 cents going to this project.

How do I participate?

Participation in **Change 4 Kids** is strictly voluntary. You can choose to participate by signing up on this form.

How much will it cost me, the utility customer?

The average contribution per consumer is about 50 cents a month or \$6.00 a year. With this small change, thousands of dollars can be generated and will mean a big difference to the students in Greene County Schools.

Where does the money go?

All **Change 4 Kids** donations are donated directly to Greene LEAF, Local Educational Advancement Foundation, a nonprofit organization formed to support the needs of Greene County Schools. Greene LEAF fills the gap between the funding provided to the schools and the actual funding needed to provide an exemplary education for students. Greene LEAF board is composed of volunteers from the Greene County communities and meets regularly to assess the needs of the schools. All money collected in Greene County in project **Change 4 Kids** will stay in Greene County and be used to fund projects that directly and positively affect the students in Greene County Schools. Funds awarded are posted on Greene LEAF's website www.greeneleaf.org.

Who serves on the Board of Greene LEAF?

Concerned citizens from all four areas of Greene County serve on the Board. The four areas are the county high schools and their respective feeder schools: Chuckey-Doak, North Greene, South Greene, and West Greene. The Greene LEAF Board members are: Ken Bailey, Dr. Joyce Bales, Carla Bewley, Nathan Brown, Jerry Fortner, Rev. Charles Hutchins, Dr. Vicki Kirk, Dr. Wade McCamey, Sam Miller, Robin Quillen, Randy Rumbley, Robin Shepherd, Brack Terry, Daniel Wolcott, and Darlene McCleish, Executive Director. Greene LEAF was founded in 2013 to celebrate and support Greene County Tennessee Schools.

Change 4 Kids

Make a *Change 4 Kids* on your utility bill!

Please complete the following and return Glen Hills.

PLEASE PRINT

Name (on water bill) _____

Address _____

Customer Number _____ (on your bill)

I would like to sign up for the “Change 4 Kids” roundup program to benefit Greene LEAF, Local Educational Advancement Foundation, for Greene County Schools. If I choose to stop participating, I will contact my utility office and will be removed from this project. Please allow six weeks for changes.

Signature _____ date _____

(signature of the utility customer who is responsible for the bill)
